INDIVIDUAL SERVICES

Concierge

Enjoy weekday access to a dedicated Concierge, offering personalised support with daily activities and individual needs (e.g. scheduling hair appointments, assisting to set up face-time calls, and so on).

Your Concierge will also assist you with settling in and making social connections quickly and meaningfully with like-minded residents.

Your Concierge will also help you to stay connected with family and your local community. This could be by personally delivering messages from loved ones, arranging birthday celebrations or private dinners as well as arranging social events or accompanied transport on your behalf.

Our Concierge is here to make sure you start and finish your day with a feeling of joy, happiness and purpose.

Dining Upgrade

Wider choice of meals across our two-course lunch and three-course dinner seven days a week.

A selection of wines and beers and soft drinks offered alongside each lunch and dinner.

Hot cooked breakfast served twice weekly.

Pamper Session

Monthly hand massage and refined manicure treatment.

Streaming Services

Netflix on your smart TV, in your private bedroom.

Wi-Fi

Access to reliable, high-speed Wi-Fi.

Bus Outings

Monthly bus outings to local destinations (e.g. shopping malls, pubs, beaches, parks and special events such as Christmas lights tours or local community events).

Please note, tickets for events or meals at pubs or restaurants are not included.

Group Fitness Sessions

A 30-minute small group fitness session once a week, guided by a qualified fitness professional. Your progress is reviewed after six weeks to tailor the program to your evolving needs. Group size is capped at a maximum of three.

With so many wonderful services available, we've created special Package options to make choosing easier. And if your needs or lifestyle preferences change, you can effortlessly add services, switch Packages, pause them, or opt out at any time - giving you the freedom to shape your everyday living exactly the way you want.
