INDIVIDUAL SERVICES

Concierge

Enjoy weekday access to a dedicated Concierge, offering personalised support with daily activities and individual needs.

Your Concierge will also assist you with settling in and making social connections quickly and meaningfully with like-minded residents.

Your Concierge will help you to stay connected with family and your local community. This could be by personally delivering messages from loved ones, arranging birthday celebrations or private dinners as well as arranging social events or accompanied transport on your behalf.

Our Concierge is here to make sure you start and finish your day with a feeling of joy, happiness and purpose.

Beverage Selection

A selection of wines and beers and soft drinks offered alongside each lunch and dinner.

Hot Cooked Breakfast

Hot cooked breakfast served twice weekly.

Pamper Session

Monthly hand massage and refined manicure treatment

High Tea

Fortnightly high tea with gourmet sweet and savoury bites.

Wi-Fi

Access to reliable, high-speed Wi-Fi.

Bus Outings

Monthly bus outings to local destinations (e.g. shopping malls, pubs, beaches, parks and special events such as Christmas lights tours or local community events).

Please note, tickets for events or meals at pubs or restaurants are not included.

With so many wonderful services available, we've created special Package options to make choosing easier. And if your needs or lifestyle preferences change, you can effortlessly add services, switch Packages, pause them, or opt out at any time - giving you the freedom to shape your everyday living exactly the way you want.
