Enhanced Everyday Living Services and Packages

Because at CraigCare Plumpton Villa

the little extras matter

At CraigCare Plumpton Villa, our Enhanced Everyday Living Services and Packages are designed to give you complete flexibility, allowing you to choose the services that best suit your needs and lifestyle.

Whether you wish to enjoy just one or two services or experience the full range of options within each of our Packages, the choice is entirely yours.

Enhanced Everyday Living

INDIVIDUAL SERVICES

Concierge

Enjoy weekday access to a dedicated Concierge, offering personalised support with daily activities and individual needs (e.g. scheduling hair appointments, assisting to set up face-time calls, and so on).

Your Concierge will also assist you with settling in and making social connections quickly and meaningfully with like-minded residents.

Your Concierge will also help you to stay connected with family and your local community. This could be by personally delivering messages from loved ones, arranging birthday celebrations or private dinners as well as arranging social events or accompanied transport on your behalf.

Our Concierge is here to make sure you start and finish your day with a feeling of joy, happiness and purpose.

Beverage Selection

A selection of wines and beers and soft drinks offered alongside each lunch and dinner.

Hot Cooked Breakfast

Hot cooked breakfast served twice weekly.

High Tea

Monthly high tea with gourmet sweet and savoury bites.

Barbeque

A relaxed monthly barbeque packed with great flavours, music and lots of fun.

Streaming Services

Netflix on your smart TV, in your private bedroom.

Wi-Fi

Access to reliable, high-speed Wi-Fi.

Group Fitness Sessions

A 30-minute group fitness session once a week guided by Allied Health Assistant. Group size is capped at a maximum of three. * Need to complete ELS Fitness Program Acknowledgement Form.

With so many wonderful services available, we've created special Package options to make choosing easier. And if your needs or lifestyle preferences change, you can effortlessly add services, switch Packages, pause them, or opt out at any time - giving you the freedom to shape your everyday living exactly the way you want.
